## Cisco SMARTnet License renewal

---

**Subject:** Cisco SMARTnet License renewal

### **Request:**

This memo seeks approval for the renewal of our Cisco SMARTnet License, which is a service that provides fast, expert technical support and flexible hardware coverage delivered by the Cisco Technical Assistance Center (TAC).

### **Purpose/Justification:**

Purpose/Justification:

As Fidelity Bank's network and data center expand and incorporate new business processes, systems, and services, the impact and costs associated with downtime increase significantly, and delays in issue resolution can halt business operations.

The Cisco SMARTnet Service offers Fidelity Bank 24/7 access to Cisco Technical Assistance Center (TAC) engineers and Cisco.com resources. It facilitates swift, expert responses and the dedicated accountability necessary to address critical network issues for all our Cisco Network equipment in our datacenters. The benefits of Cisco SMARTnet Service include:

**Quickly resolve issues:** Identify and resolve problems quickly before they significantly affect business continuity.

**Fast support from experts:** Connect directly to the Cisco Technical Assistance Center (TAC), staffed by thousands of certified Cisco professionals with experience diagnosing the toughest problems in your network and data center.

**Online self-help support:** Access extensive support resources 24 hours a day, 365 days a year through Cisco's online knowledge base, communities, resources, and tools.

**Ongoing Operating System updates:** Access new OS features, including both minor and major OS releases, with the latest operating system software updates within your licensed feature set

### **Financials**

This section provides a breakdown of the proposed expenditure for which approval is sought. Through procurement, collaboration with the local partner was conducted to ensure the renewal cost aligns with our

budget.

Item Description	Cost (Incl tax)	Budget Line
